Who we are

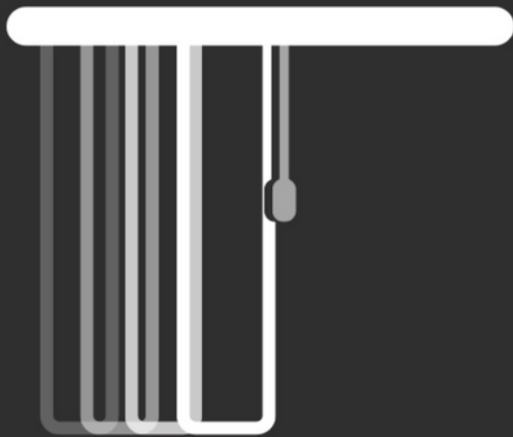

Our team at Northside Shutters & Blinds are passionate about connecting with our customers. From an exceptional quoting service, to providing expert product advice and installations across Brisbane's Northside, we are trusted suppliers of bespoke window treatments such as Panel Glides.

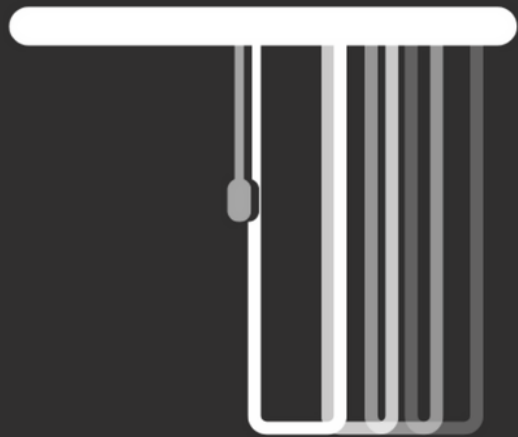

About

Panel Glides are an impressive window furnishing for your interior living area. Made to suit larger widths, Panel Glides work seamlessly to cover sliding doors, or be used as a room divider. The wand control easily allows you to open/draw the panels to either let in natural light or minimise any unwanted light leaks.
